IT ACCESS ANNOUNCES ITS NEWEST PARTNERSHIP WITH SOFTWAREONE

Westford, MA, December 19, 2007 – IT ACCESS, one of the leading technology companies relating to network infrastructure and implementation services, announced today that it has partnered with worldwide software licensing experts, SoftwareOne. IT ACCESS is proud to have them as one of their strongest partners.

After evaluating the Microsoft Software Large Account Resellers in the United States, IT ACCESS made its decision to partner with SoftwareOne based on their reputation and proven track record in the software licensing industry.

SoftwareONE offers the in-depth knowledge and experience to make sure software licensing agreements fit a company's needs. Clients have recognized SoftwareOne as "the *software licensing experts*" for more than 20 years.

At SoftwareONE, they focus exclusively on maximizing the value of software licensing. Their staff specializes in delivering outstanding service to small, medium and enterprise-level clients worldwide.

SoftwareONE earned the prestigious 2007 Microsoft Operational Excellence award. This achievement validates the company's commitment to error-free contract submittal.

We at IT ACCESS are looking forward to a long and committed relationship as partners in the Enterprise licensing of software with SoftwareOne.
